## ATTENDEE FEEDBACK

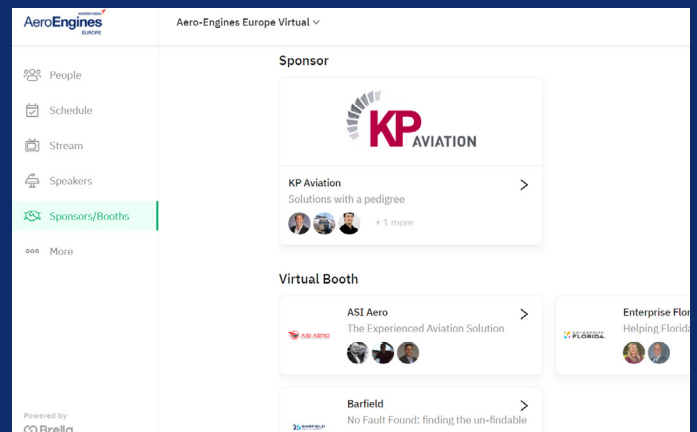

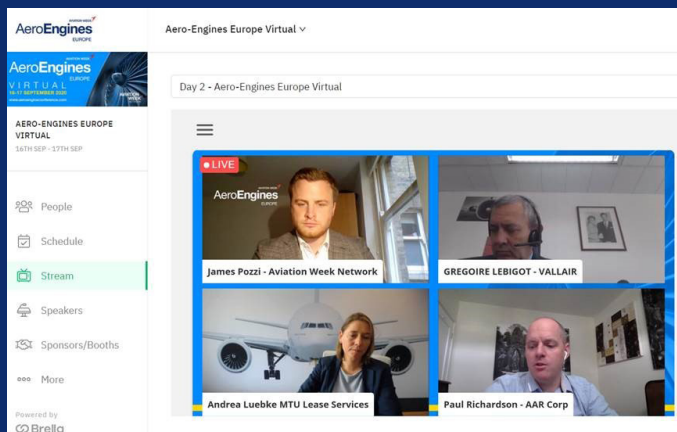

met their objectives

plan to attend the in-person event next year

used the virtual networking features

"Thank you for managing this great virtual conference. The Aero-Engines conferences are always the best powerplant conferences to bring all the important parts of this industry together."

**Ataç Oruç**  
Asset Manager – Powerplant,  
Onur Air

"The virtual networking platform was very efficient and the conferences brought a lot of interesting insights on market trends. It was really nice to get back to e-meeting professionals from the sector and have relevant first-contact discussions."

**Nicolas Léty**  
Business Development Executive,  
CEL Aerospace

"I was reluctant to join virtual networking events, but the Aero-Engines conference was really good as the attendees have similar interests."

**Guillaume Justamon**  
Sales and Marketing Director,  
Dedienne Aerospace
